Some Features of This Report

This Directory has been enhanced for your benefit using several features available in Adobe Acrobat.

The **Bookmarks** found on the left hand side of the screen will allow you to quickly jump to points of interest within the Directory just by clicking on the section title. [Note the red circle at the left of the above image] If the Bookmark has a “+” sign beside it, this means that it contains other Bookmarks within it much in the same way your computer stores files within folders and sub-folders. Just Click on the “+” to see what other Bookmarks it contains.

You can also do a **keyword search** for more specific queries. [See red oval at the top of the above image] The Full Adobe Acrobat Search on the Find Toolbar will conduct a powerful search of the entire document. You can use a Boolean query to search for one or more key terms by typing AND or OR in capital letters to separate the search terms. It will list every instance of your keyword within the document.

If you do not have the Find Toolbar you may not have the latest Adobe Acrobat Reader software installed on your computer. For the latest version of these files please refer to the Readers folder on this CD-ROM or visit <http://www.adobe.com>.

The web links found in the directory are all active. Simply move your cursor over any URL or e-mail address and click. This will open the appropriate application to allow you to send mail or view the website.

Directory and Reports — Online and in Print

This edition of the *Beverage Marketing Directory* is available in print, CD-ROM and online formats. The only

comprehensive guide to the beverage industry of the United States and Canada, it puts thousands of beverage wholesalers, importers, distributors, bottlers, canners, breweries, franchise companies, drink producers and distilleries at your fingertips. It includes contact information, brand affiliation, production capacity, sales volume and fleet data for virtually every U.S. and Canadian beverage producer and distributor as well as the industry's largest personnel listing, featuring over 25,000 beverage executives.

Beverage Marketing Corporation also publishes more than 30 market reports each year, providing up-to-date data and analysis on all beverage categories. Reports like *Bottled Water in the U.S.* and *Carbonated Soft Drinks in the U.S.* are the industry standard for statistics and analysis of trends. Reports such as *The Global Bottled Water Report* and *The Global Beer Report* extend Beverage Marketing's coverage internationally. In 2005, Beverage Marketing launched its ongoing *Focus Reports*

series in order to respond to the latest developments in the beverage industry and to provide immediate analysis of new product categories, marketing tools and other issues of interest to those in the industry. In 2010, the *Focus Report* series covers nascent categories including kombucha and relaxation beverages, among other topics. New market reports in 2010 included a move into a new territory with *Snack Food in the U.S.* as well as the combination of two formerly separate reports in *Up-and-Coming Beverage Categories and Companies in the U.S.* Like this *Directory*, Beverage Marketing's authoritative market reports are available in print and various electronic formats.
