[Note the red circle at the left of the above image] If the Bookmark has a "+" sign beside it, this means that it contains other Bookmarks within it much in the same way your computer stores files within folders and sub-folders. Just Click on the "+" to see what other Bookmarks it contains.

You can also do a **keyword search** for more specific queries. [See red oval at the top of the above image] The Full Adobe Acrobat Search on the Find Toolbar will conduct a powerful search of the entire document. You can use a Boolean query to search for one or more key terms by typing AND or OR in capital letters to separate the search terms. It will list every instance of your keyword within the document.

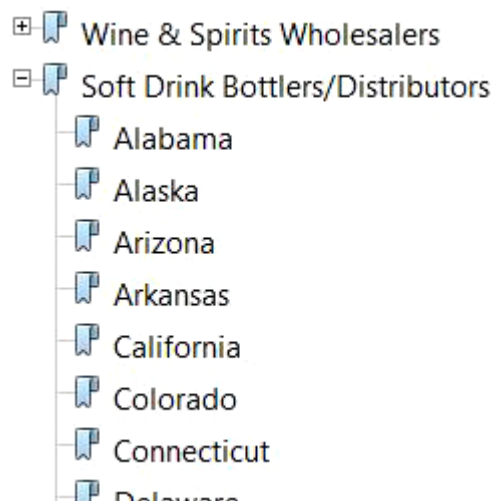

If you do not have the Find Toolbar you may not have the latest Adobe Acrobat Reader software installed on your computer. For the latest version of these files please visit <http://www.adobe.com>.

This edition of the *BMC Beverage Company Database* is available in PDF, CD-ROM and online formats. The only comprehensive guide to the beverage industry of the United

States and Canada, it puts thousands of beverage wholesalers, importers, distributors, bottlers, canners, breweries, franchise companies, drink producers and distilleries at your fingertips. It includes contact information, brand affiliation, production capacity, sales volume and fleet data for virtually every U.S. and Canadian beverage producer and distributor as well as the industry's largest personnel listing, featuring more than 19,000 beverage executives.

Beverage Marketing Corporation also publishes more than 30 market reports each year, providing current data and analysis on all beverage categories including bottled water, beer, carbonated soft drinks, dairy alternatives, and fruit beverages. In 2015, U.S. beverage category reports became future-oriented with five-year projections supplemented the industry-standard statistics in many the chapters. The year also saw the introduction of *Topline Market Reports*, concise studies of each of the main U.S. beverage categories. In 2016, the company expanded its coverage of beverage alcohol with a series of *Guides* covering beer, distilled spirits, wine and the on-premise

channel. Reports such as *The Global Bottled Water Report* and *The Global Beer Report* extend Beverage Marketing's coverage internationally. Like this *Database*, Beverage Marketing's authoritative market reports are available in various electronic formats.
