# 2025 U.S. Beer Industry Database

2025 Edition (Published June 2025) Approximately 2,079 company profiles. Excel and .csv formats. Covers the United States' beer industry.

*T*he *U.S. Beer Industry Database* contains approximately 2,079 companies who operate in the U.S. beer industry. It provides you with a comprehensive list of beer distributors for both the major beer producers and importers along with a separate list dedicated to distributors of just craft beer products. This database also provides you with contact and brand information for brewers, microbreweries/craft brewers and importers of malt based products.
