Some Features of This Report

This Database has been enhanced for your benefit using several features available in Adobe Acrobat.

The **Bookmarks** found on the left hand side of the screen will allow you to quickly jump to points of interest within the Database just by clicking on the section title. [Note the red circle at the left of the above image] If the Bookmark has a “+” sign beside it, this means that it contains other Bookmarks within it much in the same way your computer stores files within folders and sub-folders. Just Click on the “+” to see what other Bookmarks it contains.

You can also do a **keyword search** for more specific queries. [See red oval at the top of the above image] The Full Adobe Acrobat Search on the Find Toolbar will conduct a powerful search of the entire document. You can use a Boolean query to search for one or more key terms by typing AND or OR in capital letters to separate the search terms. It will list every instance of your keyword within the document.

If you do not have the Find Toolbar you may not have the latest Adobe Acrobat Reader software installed on your computer. For the latest version of these files please visit <https://www.adobe.com>.
