## THE ANSWERS YOU NEED

The *U.S. Quarterly Category Volume and Wholesale Dollar Reports* offer a total market, all-sales-channel inclusive interim market view and current year-end projections for eight non-alcohol beverage categories and twelve key sub-categories to help you identify unusual trend shifts vs. normal quarter over quarter or seasonal demand shifts. Questions answered include:

- How does the quarter that just ended compare with the same quarter last year?
- Which categories are experiencing faster dollar growth than volume growth?
- Which sub-segments are performing best in the key LRB categories?
- What does Beverage Marketing see as the key takeaways this quarter?
- Which beverage categories experience the greatest quarterly demand shifts on an all-saleschannels inclusive basis?

## THIS REPORT FEATURES

This report provides concise spreadsheets to help busy professionals and wholesale distributors compare quarterly market shifts at a glance and quickly access Beverage Marketing's year-end expectations for a broad range of segments. The annual set includes four reports for the year. Tabbed Excel sheets let you look at trends across categories in seconds and easily create your own graphs or pivot charts. Information includes:

- Quarterly volume, growth and share data for eight liquid refreshment (LRB) categories
  including bottled water, carbonated soft drinks, value-added water, fruit beverages, sports
  drinks, energy drinks, RTD coffee, RTD tea, plus the remainder of the main non-alcohol
  categories including milk, non-RTD-tea and non-RTD-coffee.
- Quarterly volume, growth and share for twelve key sub-segments including Retail PET water, diet sports drinks, 100% fruit juice vs. fruit drinks, and more.
- Quarterly wholesale dollar volume, growth and share for eight non-alcohol categories and twelve sub-categories.
- Prior year quarterly data for quarter over quarter comparison.
- Beverage Marketing's exclusive year-end forecasts, adjusted for actual quarterly results.
